

Additional resources for parents and educators:

[**The Bark Blog**](#) — Our frequently updated blog provides tips and advice on parenting in the digital age, including how to work through anxiety with your kids, what to do if your child is watching porn, how online predators use TikTok, and more.

[**Tech Night Resource Page**](#) — Educators, PTAs/PTOs, and community groups can use this page to get free tools, presentations, videos, and printouts to host a Tech Night for families in their communities.

[**Parenting in a Tech World**](#) — This Facebook community of more than 70,000 parents, caregivers, and subject matter experts provides a place to voice concerns, questions, or thoughts on what it means to raise children in a world dominated by technology.

[**Bark for Schools**](#) — Launched in response to the Parkland tragedy to help schools protect their students online, Bark for Schools offers free account monitoring and web filtering services to all K-12 schools in the U.S.

[**Bark's 2019 Annual Report on Children and Technology**](#) — These findings on data gathered from more than 873.8 million messages analyzed across texts, email, YouTube, and 30+ apps and social media platforms help show what kids are facing online as they grow up.
